## Smart Order Pick-Up Cabinets

**CARTER-HOFFMANN**

## Pick-Up Cabinet System Overview

PUC is a seamless front-end to back-end solution that merges online ordering, contactless pick-up and secure holding.

### PUC Smart and Connected Cabinets offer:

- No-contact, streamlined pick-up
- Convenience and undivided attention
- Safe and secure for all orders
- Labor savings and workflow
- Order management and fulfillment
- High conversion rate and increased sales

### The PUC Platform is Flexible and Highly Customizable

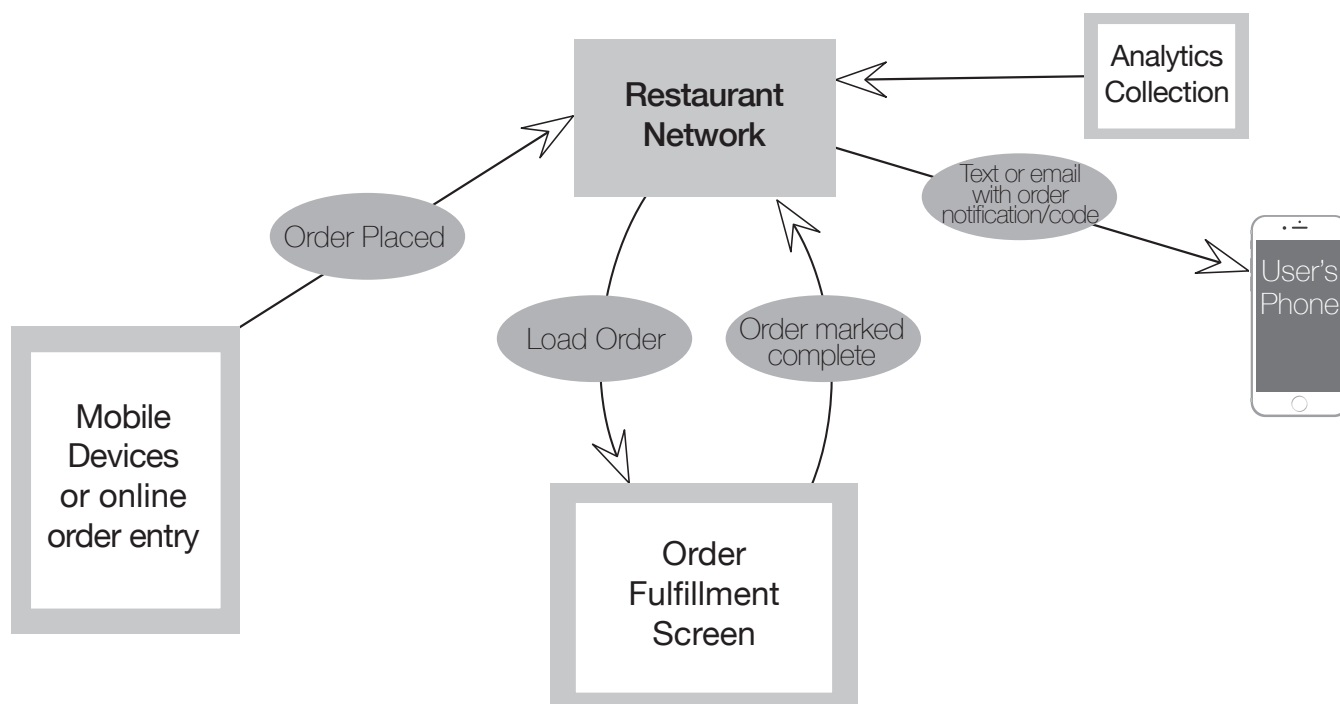

- Cabinets can be stand-alone or integrated into your POS system
- Capacity can be expanded by adding new lockers to existing ones
- Any combination of heated or ambient lockers

### PUC Software

- Is highly configurable for workflow and integration
- Supports any cabinet configuration on one network
- Can be customized for data collection and analytics
- Can be monitored remotely

## How PUC works

## PUC Features

PUC cabinets come in many configurations and are modular so you can choose the combination that's right for you. Standard finish is gray or black, but we can do custom colors and logos.

Master cabinets have a capacitive touchscreen control and scanner. Up to two add-on cabinets can be connected to a master cabinet for more capacity.

**Locker Style Cabinets:** Choose heated or ambient, large or small locker size and floor-standing or counter-top, front-loading or pass-through

### Standard Cabinets

- Four, six or eight cubbies
- Large locker sizes for large orders
- Add-on cabinets can be heated or ambient
- Solid pop latch doors

### Slimline Cabinets

- Eight cubby master cabinets
- Four or eight cubby add-on cabinets
- Add-on cabinets can be heated or ambient
- Clear pop latch doors

### Slimline Counter-Top Cabinets

- Six cubby master cabinets
- Three or six cubby add-on cabinets
- Add-on cabinets can be heated or ambient
- Clear pop latch doors

**Pizza Cabinets:** heated shelves keep pizzas warm-up to 3 boxed pizzas per shelf, available in front-loading or pass-through

- Heated shelves to keep pizza warm
- Three shelf countertop model
- Six shelf floor model
- Auto open and close doors
