

Skyflo™

Every Drop Counts

The **ONLY** automated pour spout on the market that is **PROVEN** to **CUT** liquor costs by up to **30%** while simultaneously **INCREASING** speed-of-service by up to **40%**.

Skyflo Pro™ comes with the world's most intelligent and easy-to-use reporting system, **servR™**.

Increase your profits and have true consistency with precision spouts. Prevent the over-pouring and drink giveaways that are destroying your bar sales...

Simplify your reporting with time-saving analysis and leverage wireless technology to improve bartender performance and guest experience.

Skyflo Pro™ is available NOW!
